## Government Actuary's long-term review of National Insurance Fund published

The Government Actuary's report on the Quinquennial Review of the National Insurance Fund of Great Britain as at 5 April 2005 was published today by The Stationery Office. The report sets out long-term projections of the Fund's finances on a range of assumptions over the period to 2070-71.

The full report can be found at the following link:

### Government Actuary's Department

The Government Actuary's Department (GAD) is an actuarial consultancy which has been working within government for almost a century. GAD offers actuarial services to governments and public sector organisations, in the UK and around the world, covering pensions, social security and insurance. With offices in London and Glasgow, GAD employs 140 people, of whom 60 are qualified actuaries.
